## 1. Purpose of Medals

Birchwood medals are natural, lightweight, and environmentally friendly awards that are perfect for occasional, sports, or commemorative awards. With the possibility of personalization, such as by engraving, printing, or attaching a jute cord, these medals combine exceptional aesthetics with care for the environment.

## 2. Instructions for Using the Medals

### 2.1. Storage

- 2.1.3. Avoid storing in areas with large temperature fluctuations, which can adversely affect the durability of medals.
