

Emblem Usage Instructions

Producer: WINMED

1. The Purpose of the Emblem

Emblems are durable and elegant decorative elements that can be used as personalization of selected award models, such as cups. They are glued in designated places on the awards, allowing them to be precisely tailored and emphasize the character of the event.

2. Emblem Usage Instructions

2.1. Storage

- 2.1.1. Store the emblems in a dry place, away from moisture, to prevent corrosion and discoloration of the aluminum surface.
- 2.1.2. Protect emblems from direct sunlight, which can cause colors to fade or print to fade.
- 2.1.3. Avoid areas with large temperature fluctuations and high humidity, which can affect the durability of the adhesive and material.

2.2. Cleaning

- 2.2.1. Clean emblems with a soft, dry cloth to remove dust and dirt.
- 2.2.2. For heavier dirt, use a slightly damp cloth with mild detergent, then dry the surface thoroughly.
- 2.2.3. Do not use cleaning products containing caustic substances, alcohol, or abrasive materials that may damage the surface or printing on the emblem.

2.3. Service

- 2.3.1. Avoid hard knocks on the areas where the emblems are glued to prevent them from being peeled off or damaged.
- 2.3.2. Emblems are for decorative use only – do not attempt to remove or transfer them to other surfaces to avoid adhesive damage.

3. Warnings

- 3.1. Store your emblem awards in appropriate conditions. Excessive moisture and extreme temperatures can weaken the adhesion of the adhesive.
- 3.2. Small size product. Keep it out of the reach of small children.
