

Instructions for Using the Glass Trophy

Producer: WINMED

1. The Purpose of the Trophy

A glass trophy is a decorative product intended as a commemorative award or a commemorative trophy.

2. Instructions for Using the Trophy

2.1. Storage

- 2.1.1. Store the trophy in a dry place, away from moisture and direct sunlight to avoid fading of the UV print.
- 2.1.2. Avoid areas with large temperature fluctuations that can affect the glass structure.

2.2. Cleaning

- 2.2.1. Clean the trophy gently with a soft, dry microfiber cloth.
- 2.2.2. For heavier dirt, use a damp cloth with a little mild detergent, avoiding contact with the UV print.
- 2.2.3. Do not use chemicals containing alcohol, ammonia or abrasive substances that can damage the material.

2.3. Service

- 2.3.1. When carrying the trophy, hold it by the base or bottom to minimize the risk of it slipping out of your hands and avoid damaging it.
- 2.3.2. The trophy should be stored on a stable and level surface to prevent it from being knocked over or broken.

3. Warnings

- 3.1. The trophy is made of glass, which is a fragile material. Be careful when handling and setting up the product.
- 3.2. The glass parts of the statuette may have sharp edges – be careful when handling to avoid cuts.
- 3.3. Keep product out of reach of small children.
- 3.4. Dropping the product may damage the surface or pose a danger to those using it.
